## CPD accreditation for Virtual Events

BGS has applied for 1 CPD accreditation for each webinar with the RCP.

Participants watching a live webinar must sign in with their full name when joining via a web browser or use a personal MS Teams account.

If participants join live using a shared work account or viewing as a group they must contact us before the end of the live webinar to record attendance.

This should be by email with their full name, email address and place of work to [registrations@bgs.org.uk](mailto:registrations@bgs.org.uk). Participant must register before the live webinar start to claim CPD credits.

**We cannot send CPD certificate to participants who haven't registered in advance.**

Participants accessing the archived version of the webinar may record this in their CPD diary using the approval code provided for the live event for up to four weeks after the event date.
