

2020 OncoGeriatrics SIG Webinar

25 August 2020 13:00-14:30, Free Webinar

A free virtual meeting utilising MS Teams Live Event to discuss the challenges we are facing in the current pandemic regarding older people with cancer.

This first webinar will sketch out some of our experiences to date in addressing the pandemic, the complications in providing care and support for older people with cancer arising from a COVID19 infection and how to prepare to treat older patients, without COVID19, but with a cancer requiring management.

All professionals providing healthcare to older people, particular are invited to join.

How to participate

- Register online www.bgs.org.uk/events
- Use the Q&A function to interact with the presenters [Find out how to use Teams Webinar](#)
- Participate to Polls via Slido #BGSOncoCOVID. [Learn how to join](#)
