

# Wales Autumn Meeting

## 24 September 2021

Online

## Helpful hints:

### Attendance

Attendance should be recorded automatically. You will receive a CPD certificate for the live days you have joined online only. Attendance post-event won't be certified but certificates are not required to claim CPD.

### Give feedback

Please take the time to fill out feedback after each session. It is mandatory for CPD but also helps us improve our conference and provides invaluable information to our speakers about their presentation.

### Visit our sponsors

Challenge yourself - Please review the symposia and spotlight sessions, and consider spending 5 minutes during the next 3 days to speak to a sponsor.

### Contribute

All delegates are encouraged to ask questions for the speakers and panel discussions. If you are thinking it, someone else is too – please send it in. For the tweeters @GeriSoc using #BGSSconf.

### Get Social

Socialise: Arrange 1-to-1 chat with other participants, join a socialising event or interact in a group discussion. See the programme for social activities and watch [this video to discover all the networking features on Swapcard as a participant.](#)
