

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

Abstract ID	Contact Name	Abstract Title	Sub Category	Poster
AM-1328	Laura Parry	Slowing of Life Expectancy in the UK	Epidemiology	Presidents Round
AM-1305	Claire Spake	Delayed Transfer of Care: Improving Outcomes by Process Innovation in a District General Hospital	Health Services Research	Presidents Round
AM-1375	Stephen Lim	Increased Physical Activity Levels Among Hospitalised Older People: The Role of Trained Volunteers	Health Services Research	Presidents Round
AM-1416	Dr Nikesh Parekh	Frailty predicts medication-related harm requiring healthcare: A UK multicentre prospective cohort study	Health Services Research	Presidents Round
AM-1440	Inderpal Singh	A preliminary study of the clinical outcomes of acutely unwell patients with dementia: Aneurin Bevan University Health Board, Wales (UK)	Health Services Research	Presidents Round
AM-1439	Sarah J Rhynas	One chance to get it right: exploring different perspectives on decision making for care home discharge	Other Medical Conditions	Presidents Round
AM-1306	Charlotte Owen	What Are the Needs and Preferences of People with Parkinson's and Their Informal Caregivers for the Effective Self-management of Falling? A Mixed Methods Study	Parkinson's Disease	Presidents Round
AM-1455	Susan D Shenkin	Utility of the 4AT rapid assessment instrument in assessment of delirium and cognitive impairment in acute care	Psychiatry and Mental Health	Presidents Round
AM-1335	Helen Rodgers	A trial to Evaluate an eXTended RehAbilitation service for stroke patients (EXTRAS): main patient results	Stroke	Presidents Round

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

AM-1347	Aubretia McColl	Dementia and Hospital Admission Post TIA and Stroke: Longitudinal Population-based Study	Stroke	Presidents Round	
AM-1447	Nima Farah	Validating the use of electronic frailty index score in referral pathways; a retrospective study of Heart failure diagnostic appointments in secondary care from April 2016 to April 2016.	Clinical Effectiveness	Poster	
AM-1451	Abhishek Oswal	Assessment and prescription of prophylaxis for venous thromboembolism on care of the elderly wards	Clinical Effectiveness	Poster	
AM-1402	Ameenathul Mazaya Fawzy	Frailty Assessment in Patients Undergoing Cardiovascular Interventions: A Quality Improvement Project	Clinical Effectiveness	Poster	
AM-1473	Bushra Ghouri	Think Gold Standard Framework, Improve End of Life Care	Clinical Effectiveness	Poster	
AM-1367	Charles Jefferson-Loveday	A new virtual ward; assessing its impact on elderly patients in the Poole North locality in Dorset, UK.	Clinical Effectiveness	Poster	
AM-1390	Claire Nelson	The Effectiveness of delivering Comprehensive Geriatric Assessments in the Emergency Department	Clinical Effectiveness	Poster	
AM-1312	David Attwood	There and Back Again: the Development of an Ambulatory Care Pathway for Older People Living with Frailty that Begins and Ends in the Patient's Own Home. Part 2: Results of a four day pilot	Clinical Effectiveness	Poster	
AM-1326	Dr Abdul-Rasheed Rabiou	The effect of oral anticoagulation on meeting Best Practice Tariff time-to-surgery target for fragility hip fractures	Clinical Effectiveness	Poster	

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

AM-1425	Ebo Dadey	A full cycle audit: Are AMT and ECG performed for the consultant review on a geriatric admissions ward?	Clinical Effectiveness	Poster	
AM-1363	Frances Rogerson	Deconditioning on a Geriatric Ward	Clinical Effectiveness	Poster	
AM-1337	Genevieve Robson	The Frailty Flying Squad Hotline: Direct Referral from Paramedics to the Acute Hospital Frailty Service. Report of an Initial PDSA Cycle.	Clinical Effectiveness	Poster	
AM-1388	Joan Allen	The Extension of the Existing Older Persons Assessment and Liaison (OPAL) Service in an Emergency Department.	Clinical Effectiveness	Poster	
AM-1355	Joanne Taylor	Combining forces to improve the care of older people presenting to hospital	Clinical Effectiveness	Poster	
AM-1459	Judith Randall	Improving the Process and Documentation of a Daily Multidisciplinary Team Meeting On An Older People's Medicine Ward at James Cook University Hospital	Clinical Effectiveness	Poster	
AM-1319	Julie Vale	Pop-Up Delirium Simulation Training	Clinical Effectiveness	Poster	
AM-1279	Kanwa Ekwegh	Improving collaboration in the care of the frail older person across the Primary-Secondary Interface	Clinical Effectiveness	Poster	
AM-1430	Kelli M Torsney	A service evaluation of the performance of the 4-AT as a cognitive screening tool in an English university hospital.	Clinical Effectiveness	Poster	
AM-1384	Lauren Ralston	An innovative multidisciplinary medicines review clinic for frail older patients with problematic polypharmacy	Clinical Effectiveness	Poster	
AM-1437	Lisa Redgrave	Is a Scan Part of the Plan? A Study evaluating the use of Myocardial Perfusion Scans (MPS) as a preoperative assessment tool to assess	Clinical Effectiveness	Poster	

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

		cardiovascular risk in patients who undergo Endovascular Aneurysm Repair (EVAR)			
AM-1372	Myuran Kaneshamoorthy	Does a Comprehensive Geriatric Assessment (CGA) Ward-Round Proforma Work in a busy District General Hospital (DGH)?	Clinical Effectiveness	Poster	
AM-1352	Mariella Baxter	Introduction of Discharge to Assess on an Elderly Care Ward: A Quality Improvement Project	Clinical Effectiveness	Poster	
AM-1448	Maya Kessler	A trial of a Frailty In-Reach Team into a general medical admissions unit at Lincoln County Hospital	Clinical Effectiveness	Poster	
AM-1348	Navena Navaneetharaja	Evaluating the first Older People's Emergency Department	Clinical Effectiveness	Poster	
AM-1364	Nicola Payne	Trusted Assessor Champion Training	Clinical Effectiveness	Poster	
AM-1449	OBEHI AKORIA	Utilizing peer assessments for staff recognition and multisource feedback in a multidisciplinary geriatrics team	Clinical Effectiveness	Poster	
AM-1362	pippa collins	IMPLEMENTATION OF THE COMPREHENSIVE GERIATRIC ASSESSMENT (CGA) PROCESS IN AN ACUTE HOSPITAL IMPROVES THE QUALITY OF DISCHARGE.	Clinical Effectiveness	Poster	
AM-1366	pippa collins	Implementing the Comprehensive Geriatric Assessment (CGA) at University Hospital Southampton	Clinical Effectiveness	Poster	
AM-1341	RIAZ DHARAMSHI	The Weymouth and Portland Integrated Care Hub	Clinical Effectiveness	Poster	
AM-1371	Richard Dodds	Implementation of routine grip strength measurement as part of comprehensive geriatric assessment in a day hospital setting	Clinical Effectiveness	Poster	
AM-1386	Ritu Karlekar	Staying Steady: Impact of 3 - Month Group Exercise Programs - a Survey	Clinical Effectiveness	Poster	

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

AM-1434	R Heycock	reducing the incidence of urinary tract infections in fractured neck of femur patients	Clinical Effectiveness	Poster	
AM-1331	Rachael Slater	Geriatric Higher Specialist Community Training in Primary Care	Clinical Effectiveness	Poster	
AM-1453	Ruth Law	Improving access to Comprehensive Geriatric Assessment at the front door through a new ambulatory frailty pathway- an interdisciplinary quality improvement project	Clinical Effectiveness	Poster	
AM-1324	Sarah Chowienczyk	Improving the care of patients who require rapid tranquilisation: a clinical audit.	Clinical Effectiveness	Poster	
AM-1294	Samuel Walters	Best Practice Tariff for Fragility Hip Fractures - A Completed Audit Cycle in a District General Hospital.	Clinical Effectiveness	Poster	
AM-1361	Sarneet Singh	Assessment of pharmacological approaches in behavioural and psychological symptoms of dementia with or without specialist input	Clinical Effectiveness	Poster	
AM-1342	Dr Sophie Mitchell	Delirium Clinic: Thinking of Delirium as the TIA of Dementia	Clinical Effectiveness	Poster	
AM-1323	Chen Chen-Turner	The appropriateness of lidocaine patch clinical use at the Royal Liverpool and Broadgreen University Hospitals NHS Trust: a Quality Improvement Project	Efficiency and Value for Money	Poster	
AM-1423	E Jackson	A quality improvement project to reduce inappropriate blood testing for hip fracture patients.	Efficiency and Value for Money	Poster	
AM-1313	Antony Johansen	'Hip Sprint 2' - using the 2017 national audit of physiotherapy to develop quality standards for physiotherapy after hip fracture	Improved Access to Service	Poster	
AM-1357	Deepa Japp	Identification and Referral of Frail Elderly Surgical Patients to the Elderly Care Assessment Team (ECAT)	Improved Access to Service	Poster	

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

AM-1401	Helen McGinley	PROACTIVE IDENTIFICATION, ASSESSMENT AND TREATMENT OF MODERATELY FRAIL PATIENTS IN NORTH ISLINGTON	Improved Access to Service	Poster	
AM-1412	Olivia Pepper	Identification and Referral of Frail Elderly Surgical Patients to the Elderly Care Assessment Team (ECAT)	Improved Access to Service	Poster	
AM-1370	Peter Robinson	Care homes learning together initiative: A Collaborative approach to Care Home medicine	Improved Access to Service	Poster	
AM-1400	Dr Rafi Rogans-Watson	Head Injuries in Older People: Improving the Patient Pathway into the Falls Service and Increasing Geriatrician Involvement in Care	Improved Access to Service	Poster	
AM-1399	Catherine Duncan	Improving the communication of resuscitation status on discharge from community hospital	Patient Centredness	Poster	
AM-1309	Maeve D'Alton	The patient experience of Home Care Services	Patient Centredness	Poster	
AM-1382	David Attwood	Tales from Primary care: Does a community-based, multidisciplinary care home visiting service improve care and reduce unplanned hospital admissions in older residents with dementia, frailty and multi-morbidity. Results of a three month exploratory pilot.	Patient Centredness	Poster	
AM-1429	Faisal Aijaz	Embedding Clinical Frailty Scale in the Emergency Department and its impact on patient care.	Patient Centredness	Poster	
AM-1394	Fiona Thomson	STAYING ACTIVE ON WARD 9, AN ACUTE MEDICAL ELDERLY WARD	Patient Centredness	Poster	
AM-1293	Hui Sian Tay	A full cycle audit: get up, get dressed and get moving	Patient Centredness	Poster	
AM-1290	Katie Honney	Is advanced care planning helping older community dwellers achieve their preferred place of care?	Patient Centredness	Poster	

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

AM-1431	Kelli M Torsney	Markers of clinical complexity in hospitalised older patients with Parkinson's disease and associations with outcomes.	Patient Centredness	Poster	
AM-1315	Lindsay Whyte	Do Not Attempt Resuscitation Decisions and Patient Capacity	Patient Centredness	Poster	
AM-1369	Lucy Abbott	Proactive frailty management within an integrated care system	Patient Centredness	Poster	
AM-1418	Mhairi Mactier	Implementing Hospital Anticipatory Care Planning in acute Orthopaedic wards - A Quality Improvement Project	Patient Centredness	Poster	
AM-1380	Rachel Everett	ADVANCED CLINICAL PRACTITIONERS AND THEIR ROLE IN DELIVERING CGA TO STREAMLINE THE MANAGEMENT OF PATIENTS LIVING WITH FRAILITY	Patient Centredness	Poster	
AM-1393	Thaya	Improve the diagnosis and management of delirium by using 4AT in comprehensive geriatric assessment	Patient Centredness	Poster	
AM-1389	Dr.Sharmistha Gupta	Project For Vascular Geriatrician Input	Patient Centredness	Poster	
AM-1409	Shirley Hall	A Quality Improvement Project to Implement a Frailty tool as an App as Part of a Wellbeing Assessment for Older Adults at Larkhill Village in Nottingham	Patient Centredness	Poster	
AM-1407	Siobhan Woods	Identifying Care Home Patients in the Last Twelve Months of Life.	Patient Centredness	Poster	
AM-1383	Sujo Anathanam	Helping older people live well: the implementation of a self-management support intervention in primary care	Patient Centredness	Poster	
AM-1411	Nora Fawzi	Deprescribing the Proton Pump Inhibitors - Stopping the Epidemic	Patient Safety	Poster	
AM-1359	Heather Smith	Examining the utility of the Connect with Pharmacy (CwP) intervention in reducing elderly readmission	Patient Safety	Poster	

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

AM-1403	Kathryn Price	Electronic Do Not Attempt Cardio-Pulmonary Resuscitation (DNACPR): Too Far? An evaluation of practice within Gerontology at King's College Hospital (KCH), London, UK	Patient Safety	Poster	
AM-1436	Peter Sommerville	Delirium 5: an intervention to improve safety and reliability in delirium care.	Patient Safety	Poster	
AM-1318	Si�n Tobin	An assessment of the impact of pharmacist prescribing in consultation with a medical consultant on patient care in a geriatric patient population.	Patient Safety	Poster	
AM-1300	ZULFIQAR	Late-onset rheumatoid arthritis (over 60 years of age): Clinical, biological, and therapeutic features. About a retrospective study	Bone, muscle & rheumatology	Poster	
AM-1396	Andreea ZAMFIRESCU	Prevalence of Vitamin D Deficiency in Romanian Elderly Patients with Osteoporosis and Cardiovascular Diseases	Bone, muscle & rheumatology	Poster	
AM-1297	Antony Johansen	Introducing a national programme of screening with the 4A Test to identify delirium - the commonest complication of hip fracture surgery	Bone, muscle & rheumatology	Poster	
AM-1381	Arturo Vilches-Moraga	The older emergency general surgery patient. Factors present at the time of hospital admission that are predictive of death at 12-months: Salford POPS-GS	Bone, muscle & rheumatology	Poster	
AM-1378	dr sreenath bukkapatnam	Comparison of Morbidity and Mortality outcomes of Fractured Humerus with Fractured Neck of Femur in Older Adults	Bone, muscle & rheumatology	Poster	

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

AM-1446	Dr I S A Wilkinson	Can P1NP levels aid decision making in patients who sustain a hip fracture whilst on Bisphosphonate treatment?	Bone, muscle & rheumatology	Poster	
AM-1415	Carol Holland	A frailty profile for use in the community: Inclusion of psychological variables improves prediction of care needs and falls.	Biology & social gerontology	Poster	
AM-1301	ZULFIQAR	Pre-capillary pulmonary hypertension of the elderly: about a retrospective study.	Cardiovascular	Poster	
AM-1395	James Frith	The Efficacy, Safety and Acceptability of Non-Pharmacologic Therapy for Orthostatic Hypotension in Older People: A Mixed Methods Study	Cardiovascular	Poster	
AM-1308	Virajrao Kore	ACS in Elderly - Long term functional outcome and treatment pattern- A prospective study at a tertiary care center	Cardiovascular	Poster	
AM-1408	Antoine CHRISTIAENS	Classification of older age patients with Type 2 Diabetes Mellitus in terms of severity and glucose lowering therapy needs using Latent Class Analysis.	Diabetes	Poster	
AM-1471	Triveni Shekaraiah	ever too late for diabetic ketoacidosis (DKA)	Diabetes	Poster	
AM-1420	Hannah May-Miller	Community geriatrics training is invaluable: a survey of geriatric specialty trainees.	Education / Training	Poster	
AM-1292	Hui Sian Tay	Older People Surgical Outcomes Collaboration: Academic training and development	Education / Training	Poster	
AM-1474	Lauren Ralston	Poor attitudes towards older patients amongst junior doctors: the contribution of medical uncertainty	Education / Training	Poster	
AM-1374	Myuran Kaneshamoorthy	Is there Scope for Simulation to teach Communication Skills?	Education / Training	Poster	
AM-1353	Sandeep Nayar	Postoperative delirium following cardiothoracic surgery: a nursing perspective	Education / Training	Poster	

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

AM-1373	Thaya	Improving geriatric discharge communications	Education / Training	Poster	
AM-1351	Yvonne Drewes	A contribution to the ageing society by interdisciplinary education: The Master's programme on Vitality and Ageing	Education / Training	Poster	
AM-1435	Atef Michael	Quantification of the impact of hip fracture and the operative procedure on patients' basic mobility in the early postoperative period	Falls, Fractures and Trauma	Poster	
AM-1419	C Bultynck	Prevalence of Vitamin K Deficiency in Hip Fracture Patients	Falls, Fractures and Trauma	Poster	
AM-1438	Dr Helen Kerss	Moving Medicine - A National Physical Activity Resource for Falls and Frailty.	Falls, Fractures and Trauma	Poster	
AM-1441	myuran kaneshamoorthy	Should Neck of Femur Fractures (NOFF) be admitted under joint care - A review of a Novel Hip Fracture Pathway at Princess Alexandra Hospital	Falls, Fractures and Trauma	Poster	
AM-1442	Myuran Kaneshamoorthy	Review of Neck of Femur Fracture (NOFF) Pathway at Princess Alexandra Hospital	Falls, Fractures and Trauma	Poster	
AM-1444	Ruth Melo	Effects of Active Video Game Training on Postural Control of Older Adults.	Falls, Fractures and Trauma	Poster	
AM-1450	Terence Ong	Is There a Role for an Orthogeriatric Model of Care in the Management of Vertebral Fragility Fractures in Hospital	Falls, Fractures and Trauma	Poster	
AM-1410	Natalie Cox	Anorexia in older people and its treatment: a systematic review.	Gastroenterology	Poster	
AM-1332	Abrar-Ahmad Zulfiqar	GER-e-TEC: Telemonitoring project for elderly residents in nursing homes	Health Services Research	Poster	
AM-1316	Golam Dostogir Harun	Physical & Mental Health condition of Senior Citizens living with family and at the Old Age Home: a Comparative study in Bangladesh	Health Services Research	Poster	

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

AM-1360	John Ford	Improving access to primary care for rural, socio-economically disadvantaged older people: the I-ACT cluster feasibility trial	Health Services Research	Poster	
AM-1404	Kinda Ibrahim	Use of recommended assessments of physical frailty and sarcopenia in hospitalised older people: is it feasible?	Health Services Research	Poster	
AM-1343	Laura Blomaard	Adherence to Geriatric Emergency Department guidelines in routine care	Health Services Research	Poster	
AM-1344	Laura Blomaard	Older patients' satisfaction with Emergency Department care	Health Services Research	Poster	
AM-1345	Laura Blomaard	Geriatric vulnerability in older Emergency Department patients according to electronic health records	Health Services Research	Poster	
AM-1329	Lisa van Tol	Perspectives on quality of transitional care from hospital to home for vulnerable older patients	Health Services Research	Poster	
AM-1387	Nicholas Steel	Goal setting for patients with multimorbidity in primary care: a cluster randomised feasibility trial	Health Services Research	Poster	
AM-1276	Chen YiRong	Physicians' attitudes towards deprescribing	Health Services Research	Poster	
AM-1354	Rodric Peter Llewelyn Jenkin	Yield of CT Brain scans in very elderly patients with acute confusion: A retrospective study at a district general hospital	Neurology and Neurosciences	Poster	
AM-1285	Aaseem Farid	Review of Animal assisted therapy with visiting dogs in Dementia	Other Medical Conditions	Poster	
AM-1302	ZULFIQAR	Screening of frailty in the elderly patients admitted in an Emergency Unit. About a prospective study.	Other Medical Conditions	Poster	
AM-1338	Arturo Vilches-Moraga	Frailty as a Predictor of 12-Month Mortality in Older Patients Undergoing Emergency Laparotomy: A Prospective Study.	Other Medical Conditions	Poster	

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

AM-1467	Darmiga Thayabaran	Trial without Catheter: The role of bladder filling prior to removal of urethral catheters. A systematic review of randomised controlled trials	Other Medical Conditions	Poster	
AM-1421	Dr Ho Chung Li (FY2 doctor)	What factors known at the time of admission are predictive of increased mortality: a retrospective linear multiple regression analysis of admission data from 23,151 new patient episodes	Other Medical Conditions	Poster	
AM-1426	Dr Ho Cheung Li (FY2)	Advanced age and the presentation of frailty, rather than single system diagnoses, are the main predictors of inpatient length of stay: a retrospective linear multiple regression analysis of 23,151 admission episodes	Other Medical Conditions	Poster	
AM-1469	James Everson	Urinalysis and UTI in geriatric patients - a review of performance in a district general hospital	Other Medical Conditions	Poster	
AM-1468	Philippa King	Characteristics and outcomes following emergency admission amongst oldest old in a District General Hospital	Other Medical Conditions	Poster	
AM-1422	Lucy Lewis	To what extent are older people living with cancer involved in the decision-making process regarding treatment and support?	Other Medical Conditions	Poster	
AM-1340	Mustafa Abu Rabia	A retrospective cohort study: Readmissions and Mortality of patients discharged from IMC over a 12 month period	Other Medical Conditions	Poster	
AM-1452	Nicola Bryant	Use of IoT and Smart City Services to reduce onset of MCI and frailty in two diverse and contrasting communities of Birmingham	Other Medical Conditions	Poster	
AM-1432	Panchi KUMARASINGHE	Clinician Attitudes Regarding the Utility of Frailty Tools in Managing Older Adults with	Other Medical Conditions	Poster	

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

		End Stage Kidney Disease: Literature Review and Survey Study			
AM-1443	Ruth Melo	Psychometric Characteristics of Multidimensional Assessment Tools for the Older Adults: A Systematic Review.	Other Medical Conditions	Poster	
AM-1307	Charlotte Owen	What Are the Needs and Preferences of People with Parkinson's and Their Informal Caregivers for the Effective Self-management of Falling, as Perceived by Healthcare Professionals? A Qualitative Study	Parkinson's Disease	Poster	
AM-1405	Kinda Ibrahim	Are fear of falling and caregiver burden associated with cognitive impairment among people with Parkinson's disease?	Parkinson's Disease	Poster	
AM-1470	Samir Jadhav	Efficacy and safety of opicapone in patients over 70 years with Parkinson's disease and motor fluctuations	Parkinson's Disease	Poster	
AM-1321	Joanna Ulley	'Deprescribing interventions and their impact on medication adherence in community-dwelling older adults with polypharmacy: a systematic review'	Pharmacology	Poster	
AM-1287	Kaysar Mamun	PREVALENCE OF ANTICHOLINERGIC DRUG USE IN OLDER ADULTS WITH DEMENTIA IN A LARGE TERTIARY HOSPITAL IN SINGAPORE	Pharmacology	Poster	
AM-1391	Andreea ZAMFIRESCU	Effects of Diuretics on Cognitive Functions in Patients Diagnosed with Dementia	Psychiatry and Mental Health	Poster	
AM-1427	Sarah-Naomi James	Depressive symptoms are associated with perceived, not objective, exertion during exercise in European, Indian Asian and African-Caribbean groups.	Psychiatry and Mental Health	Poster	
AM-1299	Claire Morgan	Hospital at Home reduces early readmission rates for older people with exacerbation of COPD	Respiratory	Poster	

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

AM-1327	Aruna Karthigayan	Dysphagia and Pneumonia in Older Stroke Inpatients admitted to a Geriatric Ward in a Tertiary Malaysian Teaching Hospital	Stroke	Poster	
AM-1334	Ellen V Backhouse	Rates, Risks and Routes to Reduce Vascular Dementia (R4VAD)	Stroke	Poster	
AM-1320	Charles Earnshaw	SHOP-75: Safer Handover for Older People 75+	Clinical Effectiveness	Platform	Clinical effectiveness Session: 1. 09.15-09.30
AM-1413	Amanda Crawford	Head over Heels	Patient Safety	Platform	Clinical effectiveness Session: 2. 09.30-09.45
AM-1295	Malwina Niechcial	What Keeps You Sharp? People's views about preserving thinking skills in old age.	Other Medical Conditions	Platform	Session J: 9.45-10.00
AM-1424	Ciaran Finucane	Time to Redefine Initial Orthostatic Hypotension in Older Adults?	Falls, Fractures and Trauma	Platform	Session J: 10.00-10.15
AM-1454	Dr Rebekah Schiff	Practices, Issues and Possibilities at the interface between Geriatrics and Palliative Care: An Exploratory Study (InGaP)	Health Services Research	Platform	Session J 10.15-10.30
AM-1281	Kiat Sern	A Prospective Study on Factors Predicting Early Functional Outcomes of Hip Fracture Rehabilitation in a Singapore Community Hospital	Falls, Fractures and Trauma	Platform	Session L: 11.00-11.15
AM-1368	Elaine Shanahan	Abnormal Diurnal Blood Pressure Variability in Patients with Recent Delirium	Other Medical Conditions	Platform	Session L: 11.15-11.30
AM-1358	Heather Smith	A Grounded Theory Approach to Understanding the Role of Medication Safety within a Hospital Early Discharge Team	Other Medical Conditions	Platform	Session L 11.30-11.45
AM-1414	Ellen Backhouse	Early life risk factors for symptoms of depression and anxiety in later life: Analysis of 4 cohort studies	Neurology and Neurosciences	Platform	Session L 11.45-12.00

BGS 2018 Autumn Meeting: List of abstracts accepted for presentation

AM-1417	Dr Nikesh Parekh	Medication-related harm due to non-adherence may explain the relationship between polypharmacy and mortality	Pharmacology	Platform	Session L 12.00-12.15
AM-1445	S Ninan	Did you mean to make me bleed? Treating frail older people with NSTEMI carries a high risk of bleeding	Cardiovascular	Platform	Session L 12.15-12.30
AM-1376	Claire Heppenstall	The Canterbury Community Rehabilitation, Enablement and Support Team (CREST) service: A novel service to support wellbeing and independence in the community.	Health Services Research	Platform	Session M 12.20-12.30
